EDUCATION

Master of Public Administration (MPA) | UNC-Chapel Hill

Expected Graduation May 2027

Economics (BA) | UNC-Chapel Hill

3.95 GPA | Phi Beta Kappa | Highest Distinction

PROFESSIONAL EXPERIENCE

Management Consulting Intern | Plante Moran

Southfield, MI | *June 2026–present*

- Contributing to active client engagements spanning operational strategy, enterprise technology selection, and complex procurement advisory for large municipal and state government clients. Also leading an internal AI initiative for firm leadership. Contact for more detail.

Consulting Project Lead | New York City Public Schools

New York, NY | *September–December 2025*

- Led a 9-person team to design an end-to-end AI procurement and evaluation framework for the largest U.S. school district (1M+ students, \$38B budget) across a 12-week engagement, presenting strategic recommendations to senior leadership to secure executive buy-in for the proposed framework
- Executed market segmentation of 30+ AI EdTech vendors, benchmarked NYCPS against 6 peer urban districts, and synthesized stakeholder mapping across district leadership, principals, and teachers to surface key adoption barriers
- Designed an original AI Procurement Scoring Matrix weighting vendor products on safety, equity, and instructional efficacy to support an estimated \$85M in strategic EdTech investment decisions over five years

AI Policy Intern | American-German Institute

Washington, D.C. | *June–August 2025*

- Conducted independent comparative research on U.S. and German AI governance frameworks at a D.C.-based transatlantic think tank; analyzed regulatory architecture, national AI strategy, and implications for economic competitiveness and bilateral collaboration
- Published 5 original articles for AGI's international audience covering Germany's national AI strategy, U.S.-German collaboration opportunities, and profiles of key policymakers in Germany's new government; research cited by program directors and the institute president

Co-Founder | STEAMHEALS

Chapel Hill, NC | *June 2024–present*

- Co-founded organization providing project-based STEM education to 700+ students in public schools across North Carolina; built all fiscal infrastructure from the ground up including budget management, donor relations, and strategic partnership frameworks
- Maintain full federal and state regulatory compliance across grant reporting, nonprofit filings, and fund management; oversee financial controls and strategic planning in a dual executive-board leadership role

LEADERSHIP & SERVICE

Senator | UNC Graduate Student Government

Chapel Hill, NC | *September 2025–present*

Democracy & Dialogue Fellow | UNC Campus Y

Chapel Hill, NC | *August 2024–May 2025*

Professional Football Player | Ingolstadt Dukes (GFL)

Ingolstadt, Germany | *2023 Season*

Eagle Scout | Boy Scouts of America (Troop 256)

Charlotte, NC | *August 2010–July 2022*
